*** This listing is purely for your convenience and does NOT constitute an endorsement by the WPOA.**

*** Ask for a current Insurance Certificate;** Certificate of insurance (COI), also known as an accord certificate, is a one page document that provides policy details on a contractor's liability insurance coverage, verifying that they have the required business insurance.

It summarizes essential information like the types and limits of coverage, the policy number, insurance limits, the named insured (homeowner), and the policy's effective and expiration dates.
